Career CAREER · ~5 YEARS

Kidari Studio Current 2021.07 — Present
Performance Marketer — Full-funnel marketing for a content platform in the European market (Germany & France)

- **UA media diversification:** launched TikTok & Pinterest and rebuilt the media mix, cutting new-user acquisition CPA **32% YoY** and ending Meta/Google dependence
- **Content-affinity targeting:** behavior-data audience segmentation (returning-season & similar-genre readers) lifted ROAS **up to +229%**, reaching Top 3 revenue in the key action genre
- **Behavior-data retargeting:** organic-intent-based retargeting drove related-keyword search volume **10x** and social-visitor ROAS **+132% MoM**
- **Monetization:** cut the retargeting window 30→14 days with payment-event A/B tests, lifting monthly ARPPU **+24%** and purchase conversions **8x+**
- **Data infrastructure:** built Singular · SQL cohort cumulative-revenue tracking; LTV-based budget reallocation grew key title revenue **+83%** (#1 platform revenue for 3 months)
- **ATT measurement strategy:** addressed post-ATT iOS limits — expanded Web-to-App and built a Snowflake-based first-party User ID analysis system, **shifting KPIs from short-term CPA to repurchase & ARPPU**
- **CRM funnel optimization:** diagnosed the First-Purchase bottleneck with SQL; targeted promotions to high-engagement non-payers raised DAU/MAU **+113%** and first-purchase CVR **+13%p**
- **Creative A/B testing:** established a genre × format matching methodology, lifting overall ROAS **+163%p**
- **Lifecycle CRM:** stage-segmented messaging maps lifted first-purchase CVR **23% above** other creatives, with influencer-linked engagement **10x**
